

COVID-Safe Visitor Information

To help prevent the spread of COVID-19 in the community we ask that you

DO NOT enter the event precinct if you have, in the last 14 days:

- been overseas
- been in a declared COVID-19 hotspot
- been in contact with a confirmed case of COVID-19
- are experiencing fever or symptoms of respiratory infection (cough, sore throat, shortness of breath).

Ticketing Process

To comply with Queensland Health's Contact Tracing requirements FREE tickets to this event are available [online](#). Walk-in customers will be required to fill out a manual form upon entry, and entry will be dependent on numbers so to guarantee your attendance it is advised to book ahead.

As per Queensland Health's contact tracing requirements, details must be recorded of each Adult, Concession Card Holder and Carers/Companion Card Holders who are attending the event. For the purpose of managing numbers, children are also required to have tickets. Information required will be your name, phone number, email address and physical address. If you are registering a ticket for another person you will have to advise these details also at time of purchase. This information will be stored in a secured and confidential manner by the event organisers for 56 days from the date of purchase.

Visitors agree that all contact information will be available to public health officers upon request. Visitors must either print their PDF ticket/s or ensure their ticket/s are available on their phones for sighting at the gate.

ALL visitors will be required to wear a wrist band at the event.

During the event

Please follow the directions of Security/Event staff. Regular announcements will be made using the PA system to remind all attendees to maintain social/physical distancing.

While you are attending our event stay COVID-Safe by:

- observing social/physical distancing at all times by keeping 1.5m away from anyone who is not in your immediate family group
- following the COVID-Safe measures provided including:
 - maximum capacity allowed at an activation at any one time
 - maximum capacity allowed in a bathroom/retailer at any one time
 - following the signs for designated entry/exit points.
- washing/sanitising your hands frequently. Hand sanitiser stations will be available throughout the event
- coughing or sneezing into your elbow or shoulder
- wearing a face mask if that is your preference
- following all directions of event and security staff whilst onsite
- practising Physical / Social Distancing while attending the event.

Signage and marshals will be present to assist in social distancing.

Please note that:

- any abuse or aggression directed at any of our staff or contractors will not be tolerated and you may be removed from the event;
- if you feel sick or experience COVID-19 symptoms during the event, please notify a security or event staff immediately.

Symptoms of coronavirus (COVID-19)

The common symptoms of COVID-19 include a fever (a temperature higher than 37.5 degrees), a cough, sore throat, runny nose, fatigue, shortness of breath, loss of taste and loss of smell. Everyone who gets COVID-19 will experience it a little differently.

People who have extreme symptoms or side effects from the virus may take weeks or months to recover fully, while people with a mild illness may feel completely better within a week or two.

If you have any COVID-19 symptoms, no matter how mild, call your doctor or 13HEALTH (13 43 25 84) and get tested. Call emergency services on 000 if you are very sick.

More information can be found on the Queensland Government website:

IMPORTANT COVID-19 INFORMATION

Lendlease will continue to monitor all Queensland Health Alerts in the coming weeks. If conditions worsen, we may postpone or cancel the event. Please check the website or our Facebook page for regular updates. Thank you for your understanding.

Covid-19 FAQs

Is there a risk in attending an event?

Covid-19 is an infectious disease that can result in serious and potentially fatal illness. There is a risk of the transmission of Covid-19 in any environment where people gather. This risk increases in enclosed spaces and with increased numbers of people. The Australian Government Department of Health has advised that the elderly and those with underlying medical conditions are more vulnerable. Further information can be found on the [Australian Government Department of Health COVID19 Fact Sheet](#).

What if I feel unwell or experience symptoms of COVID-19?

If you are feeling unwell or are experiencing symptoms of COVID-19 when you are at the event, immediately notify gate or event staff.
